

May 25, 2010

Dear Wine Industry Friend,

September is California Wine Month. To help celebrate, the San Joaquin Valley Winegrowers Association is pleased to bring back **our 6th Annual Wine Competition on Friday, September 17, 2010.**

At our double blind competition, judges are selected from around the state and represent the trade, and importantly, the buying public. In order for California wines to succeed, they must first taste good to the public, so that sales increase and our industry can better contend with the foreign competition. **If the California wine market is doing well, our growers can continue growing and you can ensure the future success of your business.**

As we prepare to solicit entries from wineries that qualify to enter, we invite you to participate in our Annual Wine Competition as an event sponsor. A minimal \$ 350 investment puts your name and information in the hands of 500+ decision makers at wineries of various sizes, all across the Golden State. The enclosed information sheet outlines additional sponsorship opportunities.

We encourage you to take advantage of this invitation, and show your support of local wine makers and growers. If you should have any questions, or just wish to learn more about our organization, please contact Project Coordinator, Ranetta Bron at 559-618-1856, email rbron@sjvgrapes.org or visit our website at www.idrinkwine.net.

Thank you for your consideration and we look forward to working with you,

Peterangelo Vallis
Executive Director
